SUMMARY

Hello! I'm Albert Belbase, an aspiring front-end developer who is passionate about creating beautiful and user-friendly websites. While I may be a fresher with no professional experience yet, I am equipped with a solid foundation in HTML, CSS, and JavaScript.

Beyond my technical skills, I possess excellent communication and teamwork abilities. I believe in the power of effective collaboration and value the ideas and perspectives of others. I am a fast learner and thrive in environments that encourage continuous improvement.

EDUCATION

Panchayan celestial school (kathmandu)

SEE,+2,Bachelor
Aug, 2003 - Present

I have completed my SEE with grade A at Panchayan celestial school and choose Business studies in my +2 and secured well mark.

I am currently studying **BCA** .

I am familiar with **programming language like HTML , Css , Javascript and React** .

I am learning and exploring new technology .
